Issues

1. Which reimbursement calculation applies to the services in dispute?
2. What is the maximum allowable reimbursement for the services in dispute?
3. Is the requestor entitled to additional reimbursement for the disputed services?

Findings

1. §134.404(f) states that "The reimbursement calculation used for establishing the MAR shall be the Medicare facility specific amount, including outlier payment amounts, determined by applying the most recently adopted and effective Medicare Inpatient Prospective Payment System (IPPS) reimbursement formula and factors as published annually in the Federal Register. The following minimal modifications shall be applied.

   (1) The sum of the Medicare facility specific reimbursement amount and any applicable outlier payment amount shall be multiplied by:

   (A) 143 percent; unless

   (B) a facility or surgical implant provider requests separate reimbursement in accordance with subsection (g) of this section, in which case the facility specific reimbursement amount and any applicable outlier payment amount shall be multiplied by 108 percent."
2. §134.404(f)(1)(A) establishes MAR by multiplying the most recently adopted and effective Medicare Inpatient Prospective Payment System (IPPS) reimbursement formula and factors (including outliers) by 143%. Information regarding the calculation of Medicare IPPS payment rates may be found at http://www.cms.gov. Documentation found supports that the DRG assigned to the services in dispute is 906, and that the services were provided at Dallas County Hospital/Parkland Hospital. Consideration of the DRG, location of the services, and bill-specific information results in a total Medicare facility specific allowable amount of $10,855.36. This amount multiplied by 143% results in a MAR of $15,523.17.
3. The division concludes that the total allowable reimbursement for the services in dispute is $15,523.17. The respondent issued payment in the amount of $13,610.78. Based upon the documentation submitted and the requestors *Table of Disputed Services*, additional reimbursement in the amount of $1,912.38 is recommended.

Conclusion

For the reasons stated above, the division finds that the requestor has established that additional reimbursement is due. As a result, the amount ordered is $1,912.38.

ORDER

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code Sections 413.031 and 413.019 (if applicable), the Division has determined that the requestor is entitled to additional reimbursement for the services involved in this dispute. The Division hereby ORDERS the respondent to remit to the requestor the amount of $1,912.38 plus applicable accrued interest per 28 Texas Administrative Code §134.130, due within 30 days of receipt of this Order.
